

# If You Want

## Depeche Mode

Working week's come to its end party time is here again  
Everyone can come if they want to  
If you want to be with me, if you want to be with me  
You can come with me if you want to Exercise your basic rights we could build a building site  
From the bricks of shame is built the hope  
If you want to be with me, if you want to be with me  
Even though you may still not want to Let tomorrow and today bring a life of ecstasy  
Wipe away your tears of confusion  
If you want to be with me, if you want to be with me  
You can come with me if you want to  
Even though you may still not want to
