

# Rite Now

## Das EFX

Rite now, Shiggity show 'em how my crew get down  
Rite now, Das EFX puttin' it down  
Rite now, everybody raise it up  
Rite now, we about to blaze it up Rite now, shiggity show 'em how my crew get down  
Rite now, Das EFX puttin' it down  
Rite now, everybody raise it up  
Rite now, we about to blaze it up Diggy drop the new talk from Jersey and New York  
We holdin' down the fort in the sport what y'all thought?  
Diggy Das what? Lick off shots and hip hop  
It don't stop, I riggity rock blocks when my shit drop Boogie Bang Banger, cock back the rap hammer  
Bust grammar, I stay bent like a coat hanger  
Niggity no manners, up in here with my skullie on  
Fully on, riggity-rockin' fatigues like Desert Storm Yo, figgity-face it, we lace it, far from basic  
Taste it, shine like diamonds in ya bracelet  
Higgity-hey kid, me and my Squad about to blow  
Let it go, briggity-bringin' the hook and let 'em know Rite now, shiggity show 'em how my crew get down  
Rite now, Das EFX puttin' it down  
Rite now, everybody raise it up  
Rite now, we about to blaze it up Rite now, shiggity show 'em how my crew get down  
Rite now, Das EFX puttin' it down  
Rite now, everybody raise it up  
Rite now, we about to blaze it up Yo, yo, I bought a glock off a Puerto Rock  
Off a block and fo' green back when I was 14  
Now my thug's punk crilli, the thug willies  
We're mack milli, cowardly cats get smacked silly Wanna beef? Get back on and the street get splashed  
from your cheek, past your ass till your feet  
Crab nigga duck shiggity-shots from the aimed Glock  
Fall on your head like raindrops till your brain pops Yo yo, I got a chick that'll lie for me  
Die for me, shoot ya in your eye for me  
Get high with me, the unfadeable, upgradeable  
You wiggity-waste your time 'cos I'm unrateable See, figgity-find me in the Benz on the backstreet  
Listenin' to Blackstreet, fuckin' in the back seat  
What? '98 thug mania, bring the pain to ya  
And ain't no savin' ya when I start blazin' ya Rite now, shiggity show 'em how my crew get down  
Rite now, Das EFX puttin' it down

Rite now, we about to blaze it up Rite now, show 'em how my crew get down  
Rite now, Das EFX puttin' it down
