Make It Up As We Go

Jason Derulo

you let me in
you told me to come back again
you're into me i'm into you
that's all that matters girl it's beautiful
so sweet like candy
it's so sweet like candy
what we got what we got
so so sweet like candy
what we got what we got
let's make it up as we go
don't stop the party
it's just getting started
make it up as we go
i know you want it
i'm all up on it
what we got is sexy
what we got is sexy
baby come undress me
let's make it up as we go
make it up make it up girl
make it up make it up
make it up make it up girl
let's make it up as we go
your friends are mad
hating cause we've got no strings attached
i know you would agree life is hella good
but every master beef is misunderstood, misunderstood
so sweet like candy
it's so sweet like candy

what we got what we got
so so sweet like candy
what we got what we got
let's make it up as we go
don't stop the party
it's just getting started
make it up as we go
i know you want it
i'm all up on it

what we got is sexy
what we got is sexy
baby come undress me
let's make it up as we go
make it up make it up girl
make it up make it up
make it up make it up girl
is it as good for you as it is for me
i dig it i dug it for real
is it as good for you as it is for me
cause i dig it i dug it
so we'll make it up as we go
don't stop the party
it's just getting started
make it up as we go
i know you want it
i'm all up on it
what we got is sexy
what we got is sexy
baby come undress me
let's make it up as we go
