

# Not This Time

[Jamie Lynn Hart](#)

There's no way I'm leaving here without out you, no way, no how, not this time  
No not this time, no.Desire, my old friend  
You've been hiding, hm.. where you been?  
You insist on coming back.  
To spark my love for, what I can't have.  
I can't ignore it.  
I just live for it.And nothing ever stops me when I start.  
And nothing will inspire a change of heart.  
No, there's no way I'm leaving here without out you, no way, no how, not this time.  
I've played this game before, I can't, I won't leave unsatisfied.  
No not this time, no.Yearning, it's been too long.  
But my fire, still burning strong.  
But it doesn't matter if you still love her.  
And I know it's not only in my head,  
It's stronger than the words we've never said, whoa.No, there's no way I'm leaving here without out you, no  
way, no how, not this time.  
I've played this game before, I can't, I won't leave unsatisfied.  
No not this time.Oh, Ohoooo whoa whoa  
'Cause this time won't wait forever  
Oh, now I still burn  
So when is it my turn?  
Or will I wait for some day in vain?Desire, my old friend  
You've been hiding, where you been?
