

I Don't Want to Change the World [Live]

Ozzy Osbourne

Standing at the crossroads, world spinning round and round
Know which way I'm going, you can't bring me down
Don't you try and teach me no original sin
I don't need your pity for the shape I'm in I don't wanna change the world
I don't want the world to change me
I don't wanna change the world
I don't want the world to change me Tell me I'm a sinner I got news for you
I spoke to God this morning and he don't like you
You telling all the people the original sin
He says he knows you better than you'll ever know him I don't wanna change the world
I don't want the world to change me
I don't wanna change the world
I don't want the world to change me You know it ain't easy
You know it ain't fair
So don't try to please me
Because I really don't care Don't tell me stories 'cause yesterday's glories
Have gone away, so far away
I've heard it said there's a light up ahead
Lord I hope and pray I'm here to stay Tell me I'm a sinner I got news for you
I spoke to God this morning and he don't like you
Don't you try and teach me no original sin
I don't need your pity for the shape I'm in I don't wanna change the world
I don't want the world to change me
I don't wanna change the world
I don't want the world to change me I don't wanna change the world
I don't want the world to change me
I don't wanna change the world
I don't want the world to change me
