

# Carried Away

[George Strait](#)

I don't take my whiskey to extremes  
Don't believe in chasin' crazy dreams  
My feet are planted firmly on the ground  
But darlin' when you come around I get carried away by the look by the light in your eyes  
Before I even realize the ride I'm on, baby, I'm long gone  
I get carried away nothin' matters but bein' with you  
Like a feather flyin' high up in the sky on a windy day  
I get carried away It might seem like an ordinary night  
Same ol' stars same ol' moon up high  
But when I see you standin' at your door  
Nothin' is ordinary anymore I get carried away by the look by the light in your eyes  
Before I even realize the ride I'm on, baby, I'm long gone  
I get carried away nothin' matters but bein' with you  
Like a feather flyin' high up in the sky on a windy day  
I get carried away I get carried away by the look by the light in your eyes  
Before I even realize the ride I'm on, baby, I'm long gone  
I get carried away nothin' matters but bein' with you  
Like a feather flyin' high up in the sky on a windy day  
I get carried away Carried away
