

I Didn't Mean To

Casual

Alright I might
Have had a little glare when I stared at your ho
But I didn't know she was like that, she stared right back
My niggas was warnin' me that she was comin' on to me I react like a mack do I act cool
Just to test her 'cause I ain't no jester
I suggest her and her friend be outtie
Because I don't want to make my pals get rowdy And doubt me our friendship
But when lips touch
I go crazy in the clutch
Sorta like a schitzo I forgets my bros and pals over gals I didn't mean to but when you fiend you do
Strange things for the [Incomprehensible] denim no matter who's in em
Grab a flooze then I'm in traffic
Don't laugh it might be your girl that I'm talkin' about
I didn't mean to It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught Another incident when I went
Way beyond what I should of done
John should of stopped before them drawers dropped
But I didn't ain't no quittin'
Really didn't care who's girl I was hittin' I admit skinz ain't a reason to lose friends
But then again I didn't know, sorry
Accept apologies and live on
Are we gonna hold grudges? Well, oh, fudge Its a new year and I do fear your actions
Your actin' shy, I mean you need to be smackin' that hoe
Instead of tryin' to front on me, you know
Thats exactly how I'm goin' to be, you know
I run my game on any G, you know 'Cause we the most entertainin'
I meant to blame women
For makin' me do what the Ak seem to
When you call I screen you
I didn't mean to It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught It ain't my fault that your girl got caught
It ain't my fault that your girl got caught

It ain't my fault that your girl got caught
It ain't my fault that your girl got caught Why do hoes be schememin', dreamin', actin' like demons?
My semen, don't give a fuck because they [Incomprehensible]
Too many girls front cute when they want loot
They tell lies, the swell guys can peep it and thats weak shit
Thats why I run game on every freak I get Born in Oakland grew up pumpin' Too Short
I know the rules on the flooze so who's short
I once had a dunce ho who smoked blunts yo
She tried to get me so I looked at the front door
And now shes not with me so forget it but every once in a while I'll hit it And it happened to be your girl
I didn't mean to and I been through
Your relationship and I hate dumb dips
But I really can't trip when they ride my tip
I didn't mean to It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught
