

# Put A Lid On It

## Squirrel Nut Zippers

Put a lid on it what's that you say?  
Put a lid on it oh man, no way  
Put a lid down on it, and everything will be all right  
Put a lid on it don't hand me that  
Put a lid on it I'm all right, Jack  
Put a lid down on it, before somebody starts a fight  
Say, every time I turn it loose  
Your cats come down and cook my goose  
When I start I just can't stop  
But if you keep this up you're gonna blow your top  
Put a lid on it too late this time  
Put a lid on it I've got to get what's mine  
Put a lid down on it and everything will be all right  
Well, grab your drink and clear a space  
I think it's time to torch this place  
Now the girl's in overdrive  
Some of your pals want to stay alive  
I'll put a lid on it I'll put a lid on it  
I'll put a lid down on it  
Save it for another night
