

Go to Sleep

Tee and Mo

Little monkey, sleepy one
You're all worn out from having fun
Come lay down with me, the day is done
Sleepy time for everyone

So...go to sleep, my baby
It's been a busy day
go to sleep my baby
I'll be here, when you wake

Moon is bright up in the sky,
Stars are shining bright,
For you tonight
Dreams will come and fill your head
Safe here in your bed,
by my side

Listen to your mummy
My baby, go to sleep
Go to sleep
Go to sleep
Go to sleep
