

Perfect Day

Roxette

Breathe some faith into my chest
Lay me down, I need the rest
Ever since the sky turned gray
I've waited for the perfect day
Hey now, it seems you've always
Touched me like the sun
There's no escape for the broken-hearted
There's no return once you've lost your way
I say a prayer, now our love's departed
That you'll come back to stay
And bring the perfect day
Blinded by a crazy light
I fell into the darkest night
Those magic ties, the two of us
I couldn't see it turn to dust
Hey now, it seems you've always
Reached me like the sun
There's no escape for the broken-hearted
There's no return once you've lost your way
I say a prayer, now your love's departed
That you'll come back to stay
Bring back the perfect day
Hey now, it seems you've always
Reached me like the sun
There's no escape for the broken-hearted
There's no return once you've lost your way
I say a prayer, now your love's departed
That you'll come back to stay
Bring back the perfect day
Perfect day
