

All You Need Is Love

Anything Box

Nothing you can do that can't be done
Nothing you can sing that can't be sung
Nothing you couldn't do so you could learn
How to play the game, it's easy All you need is love
All you need is love
All you need is love, love
Love is all you need Nothing you can make that can't be made
(Can't be made)
No one you can save that can't be saved
(Can't be saved)
Nothing you could be you couldn't learn
How to be in time, it's easy All you need is love
All you need is love
All you need is love, love
Love is all you need All you need is love
All you need is love
All you need is love, love
Love is all you need All you need is love
All you need is love
All you need is love, love
Love is all you need All you need is love
(Love is all we need)
All you need is love
(Love is all we want)
All you need is love, love
Love is all you need All you need is love
(Love is all we need)
All you need is love
(Love is all we want)
All you need is love, love
Love is all you need
