Come a Little Closer (Single Version)

Lila McCann

You look like an angel
I want to touch you
Come a little closer
There's not much that we can do
Oh unless you come a little closer yeahCHORUS:
If you can't see the love in my eyes
If you can't hear my heart beatin' fast
Then maybe you should come a little closer yeah
If you can't feel the electricity
Flyin between you and me then maybe
You should come a little closer yeahOne foot infront of the other
Come a little closerRight now one inch between us
Is one too many
Come a little closer yeah
Don't resist it, too much distance
Are you listenin?
Come a little closer yeahRepeat CHORUSOne foot infront of the other
Come a little closer, yeah
Let your heart lead you
I need you right here right now
Don't slow down, keep comin'
That's it, come on
Come a little closerCome a little closer
Yeah, yeah, yeah, yeah
(Come a little closer)
Yeah, yeah, oh baby
(Come a little closer)
