# Momentum

## Truckfighters

If you feel, little chance, make a stance
Looking for, better day, let me say
Something's wrong, when you can't, let me go
For too long, long, long....Momentum owns you
Controlling her too
There's nothing we can (do)
I'm not your biggest fan at allSo you won't, let a stream, from this dream
Realize, you been fooled, for too long
This might be, last amend, you can spend,
The only thing, you become, tiresomeChorus
You have no hope left alive
