

Revocate the Agitator

Deicide

Inhumation - intermenting heaven's light
Altercated - activate the animus
Instigation - terrify the holy hearts
Mutilation - helpless christians ripped apart
Revocation
All christians are destroyed
Unguarded by the light
The Satanist rejoice
Revocate me! Retribution - brought upon by god belief
Isolation - confrontate the enemy
World castration - exaltation anarchy
Revocation - Hell's reclusion to receive
Revocate the agitator
Revocate the agitator
Revocate the agitator
Inhumation - intermenting heaven's light
Altercated - activate the animus
Instigation - terrify the holy hearts
Mutilation - helpless christians ripped apart
Revocate the agitator
