

Purple Light (feat_ Doja Cat)

Elliphant

[Verse 1 - Elliphant:]

Reaching up, for the glass

Come on na, fill it up

Been empty for some time, come on fill me up

Crack me up and rope a boo-nah, bend it up

Burning, purple fire

Come on na, answer right

Staying this, for a while

Suck a fingertips shut up na don't be shy

Got a ciggy for a pretty smile (come on)

I'm cool, you purple fire[Chorus 1:]

(Oh) Ready for the purple light

(Oh) Walk me through the purple light

(Oh) Need you with to take me

(Oh) You ready na, ready na[Verse 2 - Elliphant:]

Let's unite, in a bee

Yo what's up, lemme be

One beautiful regret, I'm falling free

Don't forget, there's a war

I let you beat me 'cuz I won before[Pre-Chorus:]

All is gone, you are drunk, I need more to get me some

Get you shit, let's get up, need to strive before we cool off

High again, you are young

And for the night we go unite as one[Chorus 2:]

(Oh) Ready for the purple light

(Oh) Walk me through the purple light

(Oh) Need you with to take me

(Oh) You ready na, ready na

(Oh) Lemme in the purple light

(Oh) I wanna be in purple light

(Oh) Young star will you take me

(Oh) You ready na, ready na[Verse 3 - Doja Cat:]

Yeah, don't make me count to six

Give you tink, time out time out

Keep your weapon and wipe your mouth

Rice pouring and Imma mouth this six

Tell me Doja that her's no fail

See my team we just circle squad

Bad bitches wear purple hair, where attitudes ain't no make up bad

Ah ah look at what they call track them
Keep them rats I won't kept bitch in
Burn all your opinions, I don't give them attention
Can't you see yourself perfect na
Spin yourself them girls don't bite
Passing them in a circle higher, burn that fire that purple light[Chorus 2][Outro:]
Oh (You lookin' for the purple)
Oh (The purple juice)
Oh (Make a purple juice na)
Oh (I stop to pray for you na)
Oh (See this is the road)
Oh (In a [?])
Oh (Make a [?] man, take my hand)
Oh (Ready for this purple fire)
