

# Life Is Good in the Greenhouse

[XTC](#)

Everybody lives somewhere mud hut igloo  
But what I got is the hottest spot and it's away from you  
Everybody says something truth lies or both  
But dear all your hot air don't encourage growth Do you wonder why I look so fresh?  
Do you wonder why I look so tall?  
Do you wonder why you'll never ever move me? Life is good in the greenhouse  
Rather be a plant than be your Mickey Mouse  
Life is good in the greenhouse So everybody eats something but you won't eat me  
You won't get me on your plate or have me over for tea  
Everybody lives somewhere mud hut or igloo  
What I got is the hottest spot and it's away from you Do you wonder why I look so fresh?  
Do you wonder why I look so tall?  
Do you wonder why you'll never ever move me? Life is good in the greenhouse  
Rather be a plant than be your Mickey Mouse  
Life is good in the greenhouse Grow Do you wonder why I look so fresh?  
Do you wonder why I look so tall?  
Do you wonder why you'll never ever move me? Life is good in the greenhouse  
Rather be a plant than be your Mickey Mouse  
Life is good in the greenhouse Rather be a plant than be your Mickey Mouse  
Life is good in the greenhouse
