

Untrue (Hyperdub 2007)

Burial

Girlfriend To the way, I feel inside
And it's all, because you lied
And it's all, because you lied
And it's all, because you lied
And it's all, because you lied To the way, I feel inside
And it's all, because you lied To the way, I feel inside
And it's all, because you lied
And it's all, because you lied
And it's all, because you lied
And it's all, because you lied To the way, I feel inside
And it's all, because you lied
To the way, I feel inside
And it's all, because you lied Girlfriend We could be friends
Away from my heart
Away from my heart
We could be friends To the way, I feel inside
And it's all, because you lied
And it's all, because you lied
And it's all, because you lied
And it's all, because you lied To the way, I feel inside
And it's all, because you lied Girlfriend
