

Why

ayaka

Hitomi no oku ga boyaketa mienai
kokoro no soko no kimochi wa aru no?
Sekai wo stubete wo te ni shita no shitemo
Sore ga anata ni shiawase nano?

Why?

Kodoku na sora wo miegeru no?

Why?

Waratta misete yo

Kotoba ni suruno ga heta na
Anata no seikaku wakaruru kara

Tooi mukashi ni nani ga atta no?
Shisen wo sorasu anata no hitomi ni

Hitori de sabishii yoru ni dakishime rereru
Sonna atatakasa shitteru?

Why?

Doushite katachi ni kodawaru no?

Why?

Kokoro wo hiraite

Ookina mono wo seotta
Anata wo ukeire rereru chikara
Aruwa shinjite mite...

Jiyuu na hito wa bukiyou de
Jiyuu na hita wa fuan de

Why?

Kodoku na sora wo miegeru no?

Why?

Waratta misete yo?

Kotoba ni suruno ga heta na
Anata no seikaku wakaruru kara

Shinjite mite

English Lyrics:

Your inner eye has clouded over so much that it's impossible for you to see
Does any emotion still reside within the depths of your heart?
Having the entire world at your fingertips,
Is that what you consider happiness?

Why?
Why do you look up into the lonely skies?
Why?
Can't you laugh a little?
I understand this character of yours,
This disposition that is incapable of putting anything into words.

What was it that came to be in your sequestered past?
These eyes of yours, the refuse to meet the world

All alone with only the lonely night to cradle you,
Is this the warmth that you have come to know?

Why?
Why are you so concerned with the way you look?
Why?
Can you not open your heart a little?
You've been taxed by this heavy burden for so long,
It's time to learn to accept yourself
Have more faith in yourself...

It is those who are free that are stumbling...
It is those who are free that are insecure...

Why?
Why do you look up into the lonely skies?
Why?
Can't you laugh a little?
I can appreciate
This reticent character of yours
Have more faith in yourself...
