

God Bless America

[Charles Bradley](#)

Hello, this is Charles Bradley
A brother that came from the hard licks of life
That knows that America is my home
America, you've been real honest, hurt and sweet to me
But I wouldn't change it for the world
Just know that all the pains that I've been through,
It made me stronger, to stand strong that know that America represents love for all humanity and the world
I say from my heartChorus (X2)
God Bless America
My home, sweet home
