

A Little Mercy

Jamie Lawson

Ooh ooh, ooh ooh, ooh ooh, ooh ooh
Ooh ooh, ooh oohShould you be lost without direction
 Feel you've fallen too far behind
 If you're troubled by fear
 You're not the only one here
We all need a little mercy sometimesIf your sorrows have been left unspoken
 Like broken bells, they no longer chime
 If you're coming undone
 You won't be the only one
We all need a little mercy sometimes
We all need a little mercy sometimes
Hold on, you're only a heartbeat away
 From turning your world around
 Hold on, nothing's ever over
 No matter how far you fall down
All that once was lost can be foundThere's no shame in sharing how you're feeling
 There's no gain in keeping your pain inside
 Let go of your burden, one thing is certain
 We all need a little mercy sometimes, oh
 (Ooh ooh, ooh ooh, ooh ooh, ooh ooh)
 Let go of your burden, one thing is certain
 We all need a little mercy sometimes
We all need a little mercy sometimesHold on, you're only a heartbeat away
 From turning your world around
 Hold on, nothing's ever over
 No matter how far you fall down
All that once was lost can be found
 So hold on, hold on
 We all need a little mercy
 A little mercy
We all need a little mercy sometimes
 We all need a little mercy
 A little mercy
We all need a little mercy sometimes
Don't you know we all need a little mercy?
 We all need a little mercy
We all need a little mercy sometimes
 We all need a little mercy
 A little mercy

A little mercy sometimes
Don't you know we all need a little mercy?
A little mercy
We all need a little mercy sometimes
Don't you know we all need a little mercy?
A little mercy
A little mercy sometimes
