You Lie

Channel 3

I hope you know this ain't no social call
We've been through this before
When you die and say, that's all
Behind you close the doorSummer's short and when it's gone
Winter turns a leaf
When you cry the whole day long
Nighttime's such a reliefYou lie
Don't give a shit about anyone
Lie, I can't trust anyone
You lie, cheat, steal, killed my faithI just learned the truth about you
You think I can't live without you
Lies you spin, build my cage
Authority, advanced age
Warp my mind, your social process
It's your gain, it's my losses
Damage has all been done
You betrayed me, better runYou lieHope you know this ain't no social call
We've been through this before
When you die and say, that's all
Behind you close the doorYou lie
Don't give a shit about anyone
Lie, I can't trust anyone
You lie, cheat, steal, killed my faithI just learned the truth about you
You think I can't live without you
Lies you spin build my cage
Authority, advanced age
Warp my mind, your social process
It's your gain, it's my losses
Damage has all been done
You betrayed me, better runYou lie
Don't give a shit about anyone
Lie, I can't trust anyone
You lie, cheat, steal, killed my faith
