

Bend The Rules

[Saybia](#)

Bend The Rules

I'm used to being scared, from time to time

Used to redefining, my way of life

'Cause nothing really stays the same

Nothing ever will

But lately I have come, to realize

That voice inside my head, belongs to me

Now everything is pros, and cons

Ignorance is gone

I'm clinging to my time...

There's something in the air, I breathe tonight

Everything gets stock, in black and white

Everything is ups, and downs

Every single thing

(Chorus 1)

Back in the days, when we were Gods

And we took everything for granted - for granted

And we were wild, and we were young

We bent the rules, and took our chances - our chances

But I'm not really close, to giving in

I'm fighting every pound, and every inch

Losing every day I live

Every single day

But I don't wanna feel, the way I do

I don't wanna say, the things I do

I just wanna stay right here

Blinded but sincere

(Chorus 2)

These are the days, when we are Gods

And we take everything for granted - for granted

And we are wild, and we are young

We fuck the rules, and take our chances - our chances

There's something in the air...

There's something in the air...
