

# Fixed At Zero

## Versaemerge

This doesn't make much sense  
Think far out but I'm still locked in  
I'm still lost, walk in circles  
The floor swallowed me up whole  
There's nowhere to go

### CHORUS

There's a vulture on my shoulder  
And he's telling me to give in  
Always hissing right in my ear  
Like it's coming from my own head  
It's got me mixed up  
Trying not to give up  
Tell me there's a way to get out of here  
Oh, fixed at zero!

I've learned to talk with my fingers  
The only voice that wakes my ears  
Oh, make my bones do something  
Ever wanna jump out of your skin

Anticipating til the sidewalk ends  
There's nowhere to go  
There's a vulture on my shoulder  
And he's telling me to give in  
Always hissing right in my ear  
Like it's coming from my own head  
It's got me mixed up  
Trying not to give up  
Tell me there's a way to get out of here  
Oh, fixed at zero!

There's a vulture on my shoulder  
And he's telling me to give in  
Always hissing right in my ear  
Like it's coming from my own head  
It's got me mixed up  
Trying not to give up  
Tell me there's a way to get out of here  
Oh, fixed at zero!  
I'm fixed at zero!
