## Ed Harcourt

Fingertips are all I have
(Have you heard the sea?)
The water's edge is all I have
(Have you heard it breathe?)An endless sigh I cannot hear
(Here I cease to run)
Arid mouth so hard to speak
(Street cat got my tongue)Describe to me how I look
(Look what I've become)
Describe to me how I lookI'm not scared of dying
I'm not scared of death
I'll keep a smile 'til my last breath
I've loved 'til I've lost
I've lived how I felt
One day I may find peace within myselfBoyish grin, it bears me well
(Where can I begin?)
Don't forget I'm still around
(How the wind feels free)Behind the smile I fade away
(The wayward days are gone)
I love this power, I love this power
I love this power that's crushed so easily
I love this powerI'm not scared of dying
I'm not scared of death
I'll keep a smile 'til my last breath
I've loved 'til I've lost
I've lived how I felt
One day I may find peace within myselfI wanna take all the sadness
Of the world from your shoulders
I wanna take all the sadness
Of the world from your shoulders
I wanna take all the sadness
