

Then You Can Tell Me Goodbye

Bobby Rydell

Kiss me each morning
For a million years Hold me each evening
By your side Tell me you love me
For a million, a million years And then if it don't work out And then if it don't work out Then you can tell me
Goodbye Sweeten my coffee
With a morning kiss Soften my dreams
With your sigh Tell me you love me
For a million, a million years And then if it don't work out
And then if it don't work out
Then you can tell me
Goodbye If you must go
I won't grieve
just wait a life-time before you leave
Please then if you must go
I won't Tell you "no
Just so we can say that we tried Tell me you love me, for a million, just a million years And then if it don't work
out
and then if it don't work out
Then you can tell me goodbye
Then you can tell me... goodbye You can tell me goodbye, goodbye
