

# Metropolis (Live in Wacken)

Motörhead

Metropolis, the worlds collide  
Ain't nobody could be on your side  
I don't care  
I don't care, ohMetropolis is something new  
Ain't nobody got their eye on you  
I don't care  
It's nowhere, heyMetropolis, the worlds collide  
Ain't nobody on the other side  
I don't care  
I'm not there, ah
