# What's Mine Is Mine

## Julio Bashmore

Oh, oh, alright, oh, oh, alright
Oh, oh, alright, oh, oh, alright
Oh, oh, alright, oh, oh, alright
My property is my property
Oh, oh, alright, oh, oh, alright
Oh, oh, alright, oh, oh, alright
What's mine is mine hold there's the line
Stop following me from the back all of the time
There's one of me, one of a kind
Sorry I'm first, excuse me do you mind
You wanna be the same and put me out of frame
I got my own style, so you must be insane
Yes, there's something else you can find
So don't touch mine, what's mine is mine
Why do you want to be like me?
Why do you want what's mine?
You know this is my property
You're losing this time
You are wasting time and energy
'Cause you just can't take what's mine
You better save your time and energy
Gotta get it out of your mind
What's mine is mine
Step back, step back
What's mine is mine
What's mine is mine
You're wasting your time
Step back, step back
What's mine is mine
Oh, oh, alright
Don't waste your time and energy
'Cause nobody in the world can be like me
You're looking for something I already found
A smoother move, yeah, a better sound
Represent yourself as me, myself, and I
Make your own plan, come on and try
Ideas nowadays are hard to find
But don't touch mine what's mine is mine
Why do you want to be like me?

Why do you want what's mine?
You know this is my property
You're losing this time
You are wasting time and energy
'Cause you just can't take what's mine
You better save your time and energy
Gotta get it out of your mind
What's mine is mine
Oh, what's mine is mine
Oh, what's mine is mine
Oh, oh, alright, oh, oh, alright
Oh, oh, alright, oh, oh, alright
(My property is my property)
Oh, oh, alright, oh, oh, alright
(What's mine is mine)
Oh, oh, alright, oh, oh, alright
Save your time and energy
What's mine is mine
What's mine is mine
My property is my property
Oh, oh, alright, oh, oh, alright
Oh, oh, alright
You are wasting time and energy
'Cause you just can't take what's mine
You better save your time and energy
Gotta get it out of your mind
What's mine is mine
Oh, what's mine is mine
Oh, what's mine is mine
Wasting time, energy
Just can't take what's mine
Save your time, energy
Gotta get it out of your mind
Wasting time, energy
Just can't take what's mine
Save your time, energy
Gotta get it out of your mind
Wasting time, energy
Just can't take what's mine
Save your time, energy
Gotta get it out of your mind
