

# Commies for Christ

## Doug Anthony All Stars

My tag's Tall Tim  
(no need to shout)  
I said that's my name  
(so don't wear it out)  
You see me here, I'm running hot  
I'm a juicy hamburger 'cos I got the lot  
I got a bone the size of a Tyrannosaurus Rex  
Only one thing, I want your sex  
My name is Tricky Ricky, if the situation's sticky  
Then I'm your man, I got a plan  
I used to be a brickie  
I don't give a damn about what you say  
And if you don't like that you'd better walk this way  
(Rock it Tricky Ricky, gonna rock it to the left  
Rock it Tricky Ricky, gonna rock it to the right)  
My name is Paul, I'm the best of all  
'Cos I'm in your face like a can of mace  
(bullshit!)  
I'm a groove lick, love child, king of the verse  
You mess with me boy, you leave in a hearse  
Your God is a nothing God  
Is a mealy mouthed God  
Is a weak arsed God  
My God is a really tough God  
Is a straight line God  
Is a good ole boy  
Your God drinks peach nectar  
Eats boiled fruit  
Can't fart out loud  
My God arm wrestled Khrushchev  
Eats meat, farts with pride  
Hey, Hey  
Commies for Christ  
Hammers and sickles and the word's not flesh - it's steel  
Commies for Christ  
'Cos he's the man that carved the lamb - and made us feel  
Commies for Christ  
I'm having a sexual fling with a red under my bed  
Commies for Christ

Drank too much altar wine, it's gone straight to my head  
Take Marx, take Christ, take drugs  
Take Marx, take Christ, take dr dr dr dr dr drugs  
My God is a vengeful God  
Is Cecil B. de Mille  
He kills for the fun of it  
(Rep rep repetition, rep rep repetition, yo, yo)  
Your God been around for too long  
Can't get down, is an aging hippy  
(Hippy, hippy, skippy, skippy)  
(Tch, tch, tch, tch, tch, tch, tch, tch, tch)  
God, Hey  
Commies for Christ  
Go get some long knives to carve up these loaves and fishes  
Commies for Christ  
Support the cause or else someone could get vicious  
Commies for Christ  
'Cos he's the word you've heard - The truth, the light, the way  
My God ain't risen, 'cos he's sleepin' in today  
Take Marx, take Christ, take drugs  
Take Marx, take Christ, take drugs  
Commies for C C C CC CCC Coca Cola
