3 O'Clock Love Letter

Factory 81

You are precious
Make me special
I am ugly, lost in you beautyAll around me
no one can love me
I am sorry
I am so durtyI break, falling further each day
make these bad dreams go away
you touch me, feal you touching me
I break, make it go away again....All around me
why won't you trust me
I am durty
from where they touch meI break, falling further each day
make these bad dreams go away
you touch me, feal you touching me
I break, make it go away again....All I want is someone to love me
but who can ever love a freak
every day it's all the same, but I live this.
I don't know why, but i keep on giving
I am a child traped in you'r adult world
no one can love
call me a little girl
oh and you push me
you make me so loving
you push me I'm nothing
so why won't you trust me.I break, falling further each day
make these bad dreams go away
you touch me, feal you touching me
I break, make it go away again....You are precious
Make me special
I am dirty
from where they touched me.
