

Drivin' Wheel

Billy Price

 Feelin' good, can't be real
 Must be dreamin' 'bout my drivin' wheel
 Rollin' on, drivin' on
Come to me and rock me all night long We've got a roll goin', too good to stop
 Flyin' high, we've got too far to drop
 Everybody needs somebody to love
 I've got you and that's love enough You're my drivin' wheel
 You're my drivin' wheel
 You're my drivin' wheel Powerful love, steady roll
 Move my body and it rock my soul
 Let me ride, let me slide
Got that lovin' feelin', way down inside You got me walkin', goin' round and around
 You got me talkin' but I can't hear a sound
 Love comes easy when the goin' is tough
 May be crazy, I may be in love You're my drivin' wheel, yeah
 You're my drivin' wheel, yeah
You're my drivin' wheel, yeah Every night feelin' high, flyin' right
 Can't believe all the love that I feel
 Easy rider, you're a love exciter
You're my love, you're my drivin' wheel You're my drivin' wheel
 You're my drivin' wheel, yeah
 You're my drivin' wheel
 You're my drivin' wheel Keep on drivin' me baby
 'Cause you're my drivin' wheel
 I love the way I feel
'Cause you're my, 'cause you're my drivin' wheel Let me ride, let me slide, whoo
 C'mon baby, give it to me baby
 Yeah, we gotta ride, we gotta ride
 We gotta ride, we gotta ride
 We gotta ride, ride, ride, yeah
