I Threw a Brick Through a Window

U2

I was talking
I was talking to myself
Somebody else
Talk talk talking
I couldn't hear a word
A word you saidHe was my brother
I said there was no other
Way out of here
Be my brother
Gotta get out
Gotta get outI was walking
I was walking into walls
I'm back again
I just keep walking
I walk into a window
To see myself
And my reflection
When I thought about it
My direction
Going nowhere
Going nowhereNo one, no one is blinder
Than he who will not see
No one, no one is blinder
Than meI was talking
I was talking in my sleep
I can't stop talking
I'm talking to you
It's up to youBe my brother
There is another way out of here
Be my brother
Gotta get out
Gotta get out
Gotta get out of here
