

Before I'm Gone

Smoking Popes

Pictures of you
Slow down everyday
Slow down my life Pictures of you
Slow down everyday
Slow down my life I know you'll be here before I'm gone
I know you'll be here before I'm gone Pictures of you
Speed up every heartbeat
Speed up my life Pictures of you
Speed up every heartbeat
Speed up my life I know you'll be here before I'm gone
I know you'll be here before I'm gone Pictures of you
Slow down everyday
Slow down my life Pictures of you
Speed up every heartbeat
Speed up my life I know you'll be here before I'm gone
I know you'll be here before I'm gone Speed up my life
Speed up my life
Speed up my life
