

Kenny's Booger Story

Frank Zappa

Kenny Williams (vocals)

Frank Zappa (guitar)

Kenny:

Before, uh while I was away in boarding school lived with Ronnie by the name of Dwight Demith. Uh, used to live there with Ronnie and they would uh, instead of blowing their nose on a handkerchief they would, uh, stick their finger up in their nose and uh, pull out all their boogers and smear 'em on the window. Uh, I don't know, I always thought it was crazy, and it didn't look good, and after a while, I mean you couldn't see out the window!
he-hunh!

Fz:

Did you ever do that?

Kenny:

Uhh, I may have added one or two on there, yeah.
