

# Blue Lips

Regina Spektor

He stumbled into faith and thought,  
God this is all there is  
The pictures in his mind arose  
And began to breathe  
And all the gods in all the worlds  
Began colliding on a backdrop of blueBlue lips  
Blue veinsHe took a step but then felt tired  
He said, I'll rest a little while  
But when he tried to walk again  
He wasn't a child  
And all the people hurried past  
Real fast and no one ever smiledBlue lips  
Blue veins  
Blue, the color of the planet from far, far awayHe stumbled into faith and thought,  
God this is all there is  
The pictures in his mind arose  
And began to breathe  
And no one saw and no one heard  
They just followed lead  
The pictures in his mind awoke  
And began to breedThey started off beneath the knowledge tree  
Then they chopped it down to make white picket fences  
They marched along the railroad tracks  
And smiled real wide for the camera lenses  
They made it past the enemy lines  
Just to become enslaved in the assembly linesBlue lips  
Blue veins  
Blue, the color of the planet from far, far awayBlue lips  
Blue veins  
Blue, the color of the planet from far, far awayBlue, the most human color  
Blue, the most human color  
Blue, the most human colorBlue lips  
Blue veins  
Blue, the color of our planet from far, far away
