Victory

Trampled By Turtles

All of us lonely, it ain't a sin
to want something better, then the shape you're in
the rain came at the break of day
your light in the windowpane, said come on in
It's a broken heart babe, I know the sound
Feels like your hands are nailed to the ground
but it'll pass just like everything else

you won't let it get to me, the next time around
It's a hard earned victory
The life that come from you to me
can never be wrong
Grown from a moment and a million miles
here lies the stardust and it slowly dies
borrowed from nothing come back half alive
and the stars the whisper blessings as you walk by
