Where Do I Go

Hair

Where do I go? Follow the river
Where do I go? Follow the gulls
Where is the something? Where is the someone
That tells me why I live and die?Where do I go? Follow the children
Where do I go? Follow their smiles
Is there an answer in their sweet faces
That tells me why I live and die?Follow the wind song, follow the thunder
Follow the neon in young lovers' eyes
Down to the gutter, up to the glitter
Into the city where the truth liesWhere do I go? Follow my heartbeat
Where do I go? Follow my hand
Where do they lead me?
And will I ever discover why I live and die?Follow the wind song, follow the thunder
Follow the neon in young lovers' eyes
Down to the gutter, up to the glitter
Into the city where the truth liesWhere do I go? Follow my heartbeat
Where do I go? Follow my hand
Where do they lead me?
And will I ever discover why I live and die?
I live and dieWhy do I live, why do I die?
Where do I go?
Tell my why, tell me where?
Tell my why, tell me where?
Tell me why?
