

Calling Dr. Love

Hayseed Dixie

You need my love baby, oh so bad
You're not the only one I've ever had
And you say you wanna set me free
Don't you know you'll be in misery
 You know why
 They call me
 (Dr. Love)
 They call me Dr. Love
 (Calling Dr. Love)
 I am your doctor of love
 (Dr. Love)
I've got the cure you're thinkin' of
And even though I'm full of sin
In the end you'll let me in
You'll let me through, there's nothin' you can do

You need my lovin', don't you know it's true
So baby please get on your knees
There are no bills, there are no fees
Baby, I know what your problem is
The first step of the cure is a kiss
 They call me
 (Dr. Love)
 They call me Dr. Love
 (Calling Dr. Love)
 I am your doctor of love
 (Dr. Love)
I've got the cure you're thinkin' of
