

Luckiest Man (feat. Problem)

Mishon

Couldn't let you walk down the street without me saying something to you

Cause girl you are so fine (girl you are so fine)

When you told me your name that's when I knew

That I had to make you mine You got me like Jodecy, I'm fienin

I can barely get anything done cus I'm thinking of you

Of all the things I'm dreaming

Til you bring your fine ass around

Til you bring your fine ass around

And I be like(Hook)

I'm the luckiest man in the world, I'm the luckiest man in the world

I'm the luckiest man in the world, I'm the luckiest man in the world

(I got you)

I'm the luckiest man in the world, I'm the luckiest man in the world

I'm the luckiest man in the world, I'm the luckiest man in the world

(I got you)

()

I'm like Usher, I'm confessing

All these other girls bad but it gets no better than you

These niggas think that they got one

Til I bring your fine ass around

Til I bring your fine ass around

And I be like(Hook)

I'm the luckiest man in the world, I'm the luckiest man in the world

I'm the luckiest man in the world, I'm the luckiest man in the world

(Now that I got you)

I'm the luckiest man in the world, I'm the luckiest man in the world

(I'm so off it)

I'm the luckiest man in the world, I'm the luckiest man in the world

(Every chance I'mma show it

Damn if I've known this girl, I hope you know that)

()

Nothing takes the place of you

Baby ain't no substitute, there ain't no substitute

Cause you're all that I want and need

Baby only you can set me free(Problem)

Problem

Ride with a winner boo

Let me show you how to live like a winner do

Let me moonlight candlelight dinner you

Interviews then hopefully I enter you later on
(What?)

I'm so crazy, I shouldn't have said that
When I says them lies you lay your head back
Ain't just looks, I love where your head at
Gorgeous girl, how often do you hear that?

Gotta be a lot, hustle never stop
Understand I'm no common man but I'm off block still
And I know BS you will not deal with

My mama told me I will feel like this one day, feel like this one day

Gotta know that one day will be Monday

Considering the fact that I met you Sunday

I think this every time we kiss

Still do(Hook)

I'm the luckiest man in the world, I'm the luckiest man in the world

I'm the luckiest man in the world, I'm the luckiest man in the world

(I got you)

I'm the luckiest man in the world, I'm the luckiest man in the world

I'm the luckiest man in the world, I'm the luckiest man in the world

(I got you)
