

Last Train Home

Lostprophets

One, two, threeTo every broken heart in here
Love was once a part but now it's disappeared
She told me that it's all part of the choices that you make
Even when you think you're right, you have to give to takeBut there's still tomorrow
Forget the sorrow and I can be on the last train home
Watch it pass the day as it fades away
No more time to care, no more time, todayBut we sing if we're going nowhere
Yeah, we sing if it's not enough
And we sing, sing without a reason
To ever fall in loveI wonder if you're listening in
Picking up on the signals sent back from within
Sometimes it feels like I don't really know what's going on
Time and time again it seems like everything is wrong in hereBut there's still tomorrow
Forget the sorrow and I can be on the last train home
Watch it pass the day as it fades away
No more time to care, no more time, todayBut we sing if we're going nowhere
Yeah, we sing if it's not enough
And we sing, sing without a reason
To ever fall in loveWell, we sing if we're going nowhere
Yeah, we sing if it's not enough
And we sing, sing without a reason to ever fall in loveBut we sing if we're going no where
Yeah, we sing if it's not enough
And we sing, sing with out a reason to never fall in love
To never fall in love again
