

Kidding Myself

Big Sixes

I can see my house from here
The summer smiles with new vaneers
But I left the old teeth in a jar
Just to show how vulnerable we are Still 21, my father's son, my mother's frown
I'm seeing the sky turn red
It happens all the time in my head. If you're having fun and don't need anyone
I'll try to be as bland as I can.
But I ain't oh, no, no no
I ain't oh, no, no, no
I think I must be kidding myself
(I think you must be kidding yourself)
But I ain't oh, no, no no
I ain't oh, no, no, no
I think I must be kidding myself
(I think you must be kidding yourself) I can see your house from here
The summer smiles with new vaneers
And I left the old teeth in a jar
Just to show how comfortable we are. Still 21, my father's son, my mother's frown
I'm seeing the sky turn red
It happens all the time in my head. If you're having fun and don't need anyone
I'll try to be as bland as I can.
But I ain't oh, no, no no
I ain't oh, no, no, no
I think I must be kidding myself
(I think you must be kidding yourself)
But I ain't oh, no, no no
I ain't oh, no, no, no
I think I must be kidding myself
(I think you must be kidding yourself)
