

# Rock This World (Remix 2005)

Hilary Duff

Everybody wants something that seems too hard to get  
So I sit here on the street in Venice, waiting for the sun to set  
Watching people live their lives, wondering what it means  
Sometimes getting what you want is easier than it seems I don't want to save the day  
I just want to get my way and Rock this world, read my lips and watch 'em curl  
Rock this world, it don't take much to please this girl  
I don't need the glitter, don't believe the hype  
You might say I'm the simple type  
Like any other girl who wants to rock this world Everybody's gone somewhere, so why don't you and I  
We're all part of the same parade, just people passing by  
And anything can happen, when the sun goes down like this  
Maybe it's just a miracle when you find some happiness I don't want to save the day  
I just want to get my way and Rock this world, read my lips and watch 'em curl  
Rock this world, it don't take much to please this girl  
I don't need the glitter, don't believe the hype  
You might say I'm the simple type  
Like any other girl who wants to rock this world People can you hear me  
I want you to come near me  
Can you feel a pull, it can be so beautiful
