

Both Sides Are Even (Sideshow Dub Remix)

The Boxer Rebellion

You don't need a reason
For I know that what I've done is wrong
No one there to warn you
About the way that our moment's gone Yeah, it's the same
Right or wrong
Yeah, it's the same thing
Right or wrong These are my suspensions
And I'll never know how this was a lost cause
And both sides are even
They are even and alone Yeah, it's the same
Right or wrong
Yeah, it's the same thing
Right or wrong Ah... And both sides are even
They are even and alone
Yeah, and both sides are even
They are even and alone Yeah, it's the same
Right or wrong
Yeah, it's the same thing
Right or wrong
Yeah, it's the same thing
Right or wrong
