

# Funeral of Hearts

**Derik Fein**

I was just sixteen  
Of 7 billion people  
She choose me  
I'd climb up her tree  
In her room I'd sing her to sleep But damn can't get her out of my mind  
It's like I'm in jail 25 to life  
And it's obvious I'm in love  
Cuz when I'm alone man I just want to call her  
Kiss and hold her but if I told her What would she say like oh oh oh oh oh oh oh oh oh oh oh oh oh oh Her plane took  
off for school  
I followed till my heart ran out of fuel  
I was in pursuit of all the wrong things  
I felt so empty inside But damn I can't get her out of my mind  
It's like I'm in jail 25 to life  
And it's obvious I'm in love  
Cuz when I'm alone man I just want to call her  
Kiss and hold her but if I told her What would she say like oh oh oh oh oh oh oh oh oh oh oh oh oh oh We died inside  
loves a funeral within my mind  
I tried to keep the peace  
My soul was taken away from me Man I just want to call her  
Kiss and hold her but if I told her What would she say like oh oh oh oh oh oh oh oh oh oh oh oh oh oh
