Supergirl (album version)

Reamonn

You can tell by the way
She walks that she's my girl
You can tell by the way
She talks she woos the world
You can see in her eyes
That no one is her change
She's my girl
My supergirlAnd then she'd say it's OK
I got lost on the way
But I'm a super girl
And super girls don't cry
And then she'd say it's alright
I got home late last night
But I'm a super girl
And super girls just flyAnd then she'd say
That nothing can go wrong
When you're in love
What can be wrong?
And then she'd laugh
The night time into day
Pushing her fear
Further aloneAnd then she'd say it's OK
I got lost on the way
But I'm a super girl
And super girls don't cry
And then she'd say it's alright
I got home late last night
But I'm a super girl
And super girls just flyAnd then she'd shout
Down the line
Tell me she's got no more time
'Cause she's a supergirl
And supergirl's don't cryAnd then she'd scream in my face
Tell me to leave
Leave this place
'Cause she's a supergirl
And supergirl's just flyYeah she's a supergirl
A supergirl
She's so in seeds, she's burning trees

She's so in seeds, she's burning streams
Yeah she's a supergirl
A supergirl
A supergirl
My supergirl
