

Vivirlo Otra Vez

Al Bano

Viviremos Todo De Nuevo

I remember your face
when the first time we kissed,
how you started to blush,
what you said when you touched my hand.

And the drives to the beach
with the sand on my feet,
what we drew on the shore.
It's as if it were yesterday.

Me recuerdo esos dÃ-as
tu mirada de niÃ±a
tus muÃ±ecas antiguas
sonreÃ±an al verte asÃ-.

Y tus faldas tan largas
con dibujos de flores
que volando en el viento
ya me hablaban de libertad.

I'd live it all again. (1991 version: "Vivirlo otra vez.")

Vivirlo otra vez.
Vivirlo otra vez.
We'll live it all again.

When we had our first babe
how we found her new games,
how she smiled when she saw me
and the first time she called you dad.

All the good times we had
although some of them were bad,
through the laughter and pain
but the feeling was always there.

Me recuerdo esos aÃ±os
una casa en el campo
y los niÃ±os crecÃ±an

heredando amor de mÃ-.

Soledad, pero juntos
y cien aÃ±os son pocos
si volviera a vivirlo
irÃ-a en busca sÃ³lo de ti.

I'd live it all again. (1991 version: "Vivirlo otra vez.")

Vivirlo otra vez.
Vivirlo otra vez.
We'll live it all again.

I remember your face
when the first time we kissed,
how you started to blush,
what you said when you touched my hand.

Soledad, pero juntos
y cien aÃ±os son pocos
si volviera a vivirlo
irÃ-a en busca sÃ³lo de ti.
