

# Season of the Witch

Terry Reid

As I look through my window  
Many sights to see  
And as I look through my window  
Many people I wish that I could be  
It's strange  
It's so very very very strange  
You've got to pick up every stitch  
You've got to pick up every stitch  
Sounds like people go round and round it really should go like a itch  
You've got to make them itch  
Try it again even if everybody else to it now Say it now, must be the season of the witch  
Must be the season of the witch  
Must be the season of the witch And as I look out my window  
Many sights I wish I could see  
Some are okay looking over  
So many people I wish I could be  
So strange  
So very very very very strange  
That's why you've got to pick up every stitch  
That's why you've got to pick up every little stitch  
Two rabbits running side by side in a ditch  
That's why I can't see it on my eye  
That's why I can't see my result  
That's why I feel like I'm in the gutter oh yeah Say it now, must be the season of the witch  
Must be the season of the witch  
Must be the season of the witch As I look through my window  
Many sights I wish I could see  
Some are okay looking over  
Why do they see that they make me free  
Cos it's so very very very strange  
So very very very strange  
Strange enough to make you pick up every stitch  
That's why you see it in a ditch  
Why can't see nobody else  
That's why you can't see a man  
That's why you it takes known as a man and why from the other itch  
That's why they name him That's why it must be the season of the witch oh, all right  
Must be the season of the witch ha ha  
Must be the season of the witch

Must be the season season bah bah bah...Season of the witch
