

# The Bitch Just Kicked Me Out

## Nashville Pussy

She's caught me snortin' cocaine with her little sister  
And the bitch just kicked me out  
She said, "Take that crap out of my house, Mister"  
And the bitch just kicked meI said, "I'll go but I don't know what you're talking about"  
Is that all it takes a man to get kicked out  
Kick me outCaught me rolling around with her mama too  
And the bitch just kicked me out  
Baby, she does things that you don't do  
And the bitch just kicked me outI said, "Can't you see how much I love your family?"  
And now you want to go take it away from me"  
Oh baby, don't kick me out, oh baby, kick thisCaught me rolling around with your mama too  
And the bitch just kicked me out  
[Incomprehensible] do those things so I could teach them to you  
And the bitch just kicked me outI said, "Can't you see how much I love your family?"  
Now, wanna go, take it a way from me"  
Gonna kick me out, come on, baby  
Come on, baby, well, I'm gone
