Did You Feel the Mountains Tremble

Sonicflood

Did you feel the mountains tremble?
Did you hear the oceans roar?
When the people rose to sing of
Jesus Christ the Risen OneDid you feel the people tremble?
Did you hear the singers roar?
When the lost began to sing of
Jesus Christ the Saving OneAnd we can see that God you're moving
A mighty river through the nations
When young and old return to Jesus
You fling wide you Heavenly gates
Prepare the way of the Risen Lord
Oh the Risen LordOpen up the doors Lord
Open up the doors and let the music play
Let the streets resound with singing
With songs that bring your hope
And the songs that bring your joy
Dancers who dance upon injustice
Dance before the LordOpen up the doors and let the music play
Let the streets resound with singing
With songs that bring your hope
And songs that bring your joy
Dancers who dance upon injustice
(Yeah yeah Lord)Did you feel the darkness tremble?
When all the Saints joined in one song
And all the streams flowed as one river
To wash away our brokennessDid you feel the darkness tremble?
When all the Saints joined in one song
And all the streams flowed as one river
To wash away our brokenness
Oh of brokennessOpen up the doors
Open up the doors and let the music play
Let the streets resound with singing
With songs that bring your hope
And the songs that bring your joy
Dancers who dance upon injustice
Oh upon injusticeOh Lord, upon injustice, Lord
Lord Jesus, we dance upon injustice, we dance upon the pride
We dance upon the feel, we dance upon insecurity
We dance upon injustice

Yeah oh Lord, upon injustice, LordInjustice Lord, is here no more, is here no more
Injustice Lord, is here no more in Jesus name
Injustice Lord, injustice Lord, is here no more, is here no more
Injustice Lord, is here no more in the name of JesusOpen up the doors and let the music play
Let the streets resound with singing
With songs that bring your hope
And the songs that bring your joy
Dancers who dance upon injusticeOpen up the doors and let the music play
Let the streets resound with singing
With songs that bring your hope
And the songs that bring your joy
Dancers who dance upon injustice
