

(Reach Up for the) Sunrise

Duran Duran

Now the time has come
(Has come)
The music's between us
Though the night seems young
(Seems young)
Is at an end
Only change will bring
(Change)
(Will bring)
You outta of the darkness
In this moment everything
(Moment)
(Everything)
Is born again Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day into your life Reach up for the sunrise
(Sunrise)
Put your hands in to the big sky
(You can touch the sunrise)
You can touch the sunrise
Feel the new day into your life Now the fire fall burns
(Fall burns)
We go out together
As the planet returns
(Returns)
Into the light
Something more than dreams to
(More than dreams)
Watch out for each other
Cos' we know what it means
(What it means)
To be alive? Reach up for the sunrise
Put your hands in to the big sky
You can touch the sunrise
(Sunrise)
Feel the new day into your life
(Into your life) Reach up for the sunrise
(Sunrise)

Put your hands in to the big sky
(You can touch the sunrise)
You can touch the sunrise
Feel the new day into your life Feel the new day into your life
Feel the new day Reach up for the sunrise
Put your hands in to the big sky
You can touch the sunrise
(Sunrise)
Feel the new day into your life
(Feel the new day into your life)(Reach up for the sunrise)
Reach up for the sunrise
(Put your hands in to the big sky)
Put your hands in to the big sky
(You can touch the sunrise)
You can touch the sunrise
Feel the new day into your life
(Into your life) Reach up for the sunrise
Put your hands in to the big sky
(Yeah)
(You can touch the sunrise)
You can touch the sunrise
Feel the new day into your life
