The Clapping Song

Aaron Carter

Lets go

Lets go

Come on 3, 6, 9

The goose drank wine

The monkey chew tobacco on the straight car line

The line broke, the monkey got choked

And they all went to heaven in a little rowboatClap pat, clap pat, clap pat, clap slap

Clap pat! Clap your hand

Pat it on your partners hand, right hand

Clap pat! Clap your hand

Cross it with your left arm

Pat your partners left palmClap pat! Clap your hand

Pat your partners right palm

Clap slap! Clap your hand

Slap your thigh and sing a little song

GoMy mama told me if I was lucky

That she would treat me

If I was goody

My aunty told her, I should act older

No I'm not kidding

That's what she told her3, 6, 9

The goose drank wine

The monkey chew tobacco on the streetcar line

The line broke, the monkey got choked

And they all went to heaven in a little rowboatClap clap

Clap your hands and prepare to patClap

Take your right arm

Pat your partners palm with your right palm

Clap

Take your hand back and clapClap

Take your right arm

Cross your right arm with your left arm

Pat your partners left palm with your left palm

Clap

Now back with a clapTake your hand to your palm and slap your thigh

And watch the fun materialize

As you sing this little songMy mama told me if I was lucky

That she would treat me

If I was goody

My aunty told her, I should act older No I'm not kidding That's what she told her3, 6, 9

The goose drank wine

The monkey chew tobacco on the streetcar line

The line broke, the monkey got choked

And they all went to heaven in a little rowboatMy mama told me if I was lucky

That she would treat me

If I was goody

My aunty told her, I should act older

No I'm not kidding

That's what she told her

(That's what she told her)My mama told me if I was lucky

That she would treat me

If I was goody

(I don't believe it)

My aunty told her, I should act older

(Yeah right)

No I'm not kidding

That's what she told her

(Can you believe it?)3, 6, 9

The goose drank wine

The monkey chew tobacco on the streetcar line

The line broke, the monkey got choked

And they all went to heaven in a little rowboat
